From the Manager's Desk:

The Library is a place where you can come to get information for school, work or enjoyment. A community hub.

We're here to help you find the right book, answer your questions, there's a quiet place if you need to study or relax, whatever you need we'll do our best to assist you.

We hope that you will come to see us often and that you will tell all of your friends about the Library.

Hope to see you soon...

CHILD SAFETY:

We want the Library to be a welcoming, safe place for your children. Our staff has many duties to perform in order to serve all customers in the best way possible. For this reason, the staff cannot monitor the whereabouts or behaviors of our youngest patrons – your children.

All children under the age of 12 need to be accompanied by an adult at all times while visiting the library. Children of any age with special needs which affect decision making skills must be accompanied by a caregiver at all times. Children 12 and older may be left unattended provided they understand and follow the rules of the library

The library in no way assumes responsibility for any child left unattended in the building. We expect all children and teens to use appropriate language and behavior in the library. Those who do not will be asked to leave.

Thanks for your understanding!

Local Library History

The library in Mount Olive was established in the late 1950s in a small building on Sixth Street. It became a part of the Pine Forest Regional Library System soon after its establishment and remained a part of that system until August 15, 2011, when the three county libraries were established as the Covington County Library System. In the early 1980s, using an LSCA grant from the Mississippi Library Commission, a new library facility was added to the City Hall. That new building was named the Jane Blain Brewer Memorial Library for a local civic leader.

Mrs. Glen (Lucy) Leonard was the first Librarian for a few months. Mrs. Bobbye McLendon was librarian from 1960 till her retirement in 1989. Mrs. Elaine Hembree Sullivan from 1989 till she retired in 2002. Ms. Martha Diehl filled in a few months till Mrs. Jaylyn Miller transferred from the Collins Branch and was in Mt. Olive till 2011. Ms. Martha was substitute, then associate from August 2002 till she came "home" to the Mt. Olive Library as the Librarian in October 2011.

~ GETTING A LIBRARY CARD ~

You will need to fill out a form and show Documentation.

The documentation needed at the time of library card registration is:

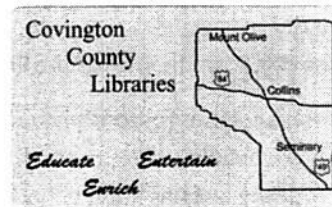

(1) a form of government-issued identification (driver's license or other government-issued id cards) (NOTE: driver's license may be used as identification or address verification, but not both.)

(2) proof of residence (such as current utility statement of services, checkbook with name and address, or current tax receipt).

You must be at least 5 years of age to get a card. Parents or legal guardians will need to sign to get a Library Card if you are under 18 years of age. There is no fee to get a new Library Card. However, there is a \$1.00 fee for replacement Library Cards.

The patron must have his/her library card to check out materials or to use the computer. If a patron loses his library card or it is stolen, it is the responsibility of the patron to notify the library.

By signing for a library card, you agree to abide by the policies set forth in the Covington County Library System Policy Manual.
